

Notes From The Arborist

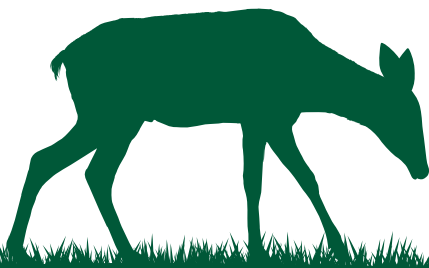

Deer Protection

When it comes to deer and protecting your valuable plants and landscaping, you really only have two choices: You can put up fencing or try *DeerPro*.™

With *DeerPro*™ *Winter Animal Repellent* even very hungry deer will not eat your treated shrubs. This product provides you with six months of protection and does not need to be reapplied in the snow and ice of winter.

Apply *DeerPro*™ now to preserve your landscapes, keeping them free of fencing... and deer!

DeerPro™ is a professional strength repellent that can only be purchased and applied by licensed professionals.
