

Our Community Support: 2017

Just before the 2015 holiday season, members of the Local First Alliance were asked how they give back to their communities by compiling a list of their local giving. Chippers has always supported many organizations, but we had never listed them before. We were pleasantly surprised when we saw the extent of our assistance. We believe giving back to our communities strengthens our local economy and helps make our towns thrive.

Here is the list of the Upper Valley, Sunapee area and Lake Region organizations we supported in 2017.

***Plant a Seed** Our direct contribution to the beautification of our communities with the professional green care services we provide: tree, turf, garden, land and forest.*
