

Plant Guarantee

Chippers will provide a one time replacement for any tree or shrub supplied and planted by us with a similar plant if found dead or dying, for a period of one year. This is providing the plant(s) have been sufficiently watered, properly cared for and payment has been made as arranged. The client's expense is limited to the cost of replanting.

This guarantee excludes damage or fatalities from tornado, high winds, severe drought, over-watering, abnormal winter or other conditions over which we have no control.

We do not guarantee perennials, ground covers or lawns. Plants supplied by the client which are transplanted are not guaranteed.

In no case shall we be responsible for more than the amount originally paid for the merchandise.

If you have any questions, please feel free to contact us.
